

**350.ORG:  
7 SUKYO MAHIKARI CENTERS  
JOINED 5,281 CLIMATE AWARENESS ACTIVITIES  
OCTOBER 24, 2009**

*What is 350? It's the parts per million of CO2 scientists say is the upper limit for CO2 in earth's atmosphere. Right now, we're at 387 ppm of CO2.*

*What is 350.org? An international climate awareness campaign. On October 24, 2009, awareness activities were created by individuals and groups in 181 countries. Seven centers for Spiritual Development across North America joined in the effort—Atlanta, Chicago, Los Angeles, New York, Phoenix, Seattle, and San Juan, Puerto Rico, Sukyo Mahikari practitioners did beach clean-ups, park clean-ups, street clean-ups, and held public talks about ways to preserve the planet.*
